Statewide Tornado Drill March 21

Ohio's Spring Severe Weather Awareness Week is Mar 18-24. Severe weather can include thunderstorms and tornadoes. Do you have a tornado safety plan? Franklin County Emergency Management and Homeland Security urges you and your organization to exercise your tornado safety plan during the **Statewide Tornado Drill on Wednesday, March 21, at 9:50 a.m.**

Tornado sirens will be activated one time for three minutes – a longer tone than in the regular Wednesday noon tests. The test tone will be the same “tornado warning” tone which would be used in an actual tornado warning.

2018 Street Program

Construction Services Administrator — Bill Sims
The City of Canal Winchester utilizes a combination of resurfacing, pavement repairs and rejuvenation to deliver an efficient and cost-effective street program. This year, approximately \$750,000 will be reinvested into our roadway infrastructure through the program. For details on the specifics of this year's program [click here](#). For a map of the proposed work areas [click here](#).

Mowing Season is Coming Soon

Superintendent of Streets — Shawn Starcher
We're anxious to get the snow plows put away this spring and get the mowers out. Roadside & park mowing typically runs **April - October**.

Did you know?

The Grand Opening of the National Barber Museum and Hall of Fame (135 Franklin) will be on May 5, 2018 from 1 to 4 p.m. It is the only museum of its kind in the world. [Learn more](#).

Spring Improvements

Planning & Zoning Administrator — Andrew Moore
Planning a spring improvement? Make sure to visit our Development Department's Building Division and [Planning & Zoning](#) Division for code information, fee schedules, permit applications, and more.

Spring Hydrant Flushing

Superintendent of Water — Joe Taylor
Canal Winchester's Division of Water opens fire hydrants around the community twice each year. This allows water to flow through pipes, enhancing water quality by flushing sediment from mainline pipes. Flushing also verifies proper operation of hydrants and valves and maintains fire-fighting capabilities. Spring fire hydrant flushing will begin in April and will last for 2-3 weeks.

SAVE THE DATE

CW Welcomes 2018 TOSRV Bicycling Tour

Events & Communications Coordinator — Amanda Lemke
We're pleased to announce that organizers of the 57th annual bicycling tour known as TOSRV (Tour of the Scioto River Valley) have chosen Canal Winchester as the launch and return site for their 2018 riding tour. The two-day (May 19 & 20), 105-mile ride will begin and end at our historic “Queen of the Line” train depot. [Learn more](#).
